## **Policy Highlights**

| ·   |  |  |  |
|---|--|--|--|
| Issue Ages                                | 18 through 64, age last birthday   |  |  |
| Rates                                     | Male/Female, Tobacco/Non-tobacco   |  |  |
| Minimum/Maximum Face<br>Amounts (Benefit) | \$50,000 – \$500,000 for each category   |  |  |
| Multiple Benefits Across<br>Categories    | The first benefit is paid to you upon the initial diag-<br>nosis of a condition or procedure (see detailed list)<br>in any one of the three categories. If you continue to pay the premiums and are diagnosed with<br>a condition or procedure in a different category, you will again receive the benefit payment<br>indicated. Your maximum benefit is up to three times the critical illness policy benefit amount.<br>The multiple conditions must be diagnosed at least 180 days apart. |  |  |
| Multiple Benefits Within<br>Categories    | If you have received a partial benefit within a category (e.g., 25 percent of the benefit for coro-<br>nary bypass surgery) and you have another illness in the same category that pays 100 percent<br>of the benefit (e.g., heart attack), you will receive the remainder of the total benefit for that<br>category (e.g., 75 percent).   |  |  |
| Renewability                              | Policy is guaranteed renewable for life.   |  |  |
| Benefit Reduction                         | Face amount reduces 50 percent on the policy anniversary date in the year the insured turns 65 or five years from the policy issue date, whichever is later.   |  |  |
| Waiting Period                            | Coverage begins immediately for all conditions in Category II – Heart/Stroke and Category III<br>– Other Illnesses and Conditions. Category I – Cancer has a waiting period. See specifics below.  |  |  |
| Category I –<br>Cancer Definitions        | <ul> <li>Invasive cancer is a malignant tumor with uncontrolled growth beyond its original site<br/>(includes leukemias and lymphomas).</li> <li>Non-invasive cancer (cancer in situ) is a malignant tumor that has not invaded surrounding<br/>tissue.</li> </ul>   |  |  |
| Category I –<br>Cancer Waiting Period     | Invasive and non-invasive cancers have a reduced benefit for the first 90 days of the policy. If cancer is diagnosed during the policy's first 90 days, the policy pays 10 percent of the benefit for invasive cancer or 2.5 percent of the benefit for non-invasive (in situ) cancer. If a cancer is diagnosed after the policy's first 90 days, the invasive cancer benefit is 100 percent and non-invasive cancer is 25 percent.  |  |  |
| Survival Period<br>Requirements           | There are no survival period requirements. If you die of a covered illness and meet the criteria (including first-ever diagnosis), your beneficiaries receive the maximum benefit (less any benefits previously received) within the category for that illness.  |  |  |
| Family Coverage                           | Your spouse and/or children may receive critical illness insurance through riders on your policy with additional premium.  |  |  |
| Benefit Payment                           | The benefit payment goes directly to you and may be used for anything you wish (e.g., medical bills, mortgage or credit card payments, travel, experimental treatments, etc.)  |  |  |
| Return of Premium<br>upon death           | If you die of any cause, 100 percent of the premiums paid by you less any benefits received are paid to your beneficiary. If you die of a covered illness and meet the criteria (including first-ever diagnosis), your beneficiaries receive the maximum benefit less any benefits previously received within the category for that illness.   |  |  |
| Riders Available                          | Expand your protection with these riders for additional premium:<br>• Disability Waiver of Premium Rider<br>• Accidental Death Benefit Rider<br>• Spouse Critical Illness Benefits Rider<br>• Children's Critical Illness Benefits Rider   |  |  |

| Category I –<br>Cancer               |                                     | Category I<br>Maximum benefit |
|--------------------------------------|-------------------------------------|-------------------------------|
| Invasive Cancer                      | 100%                                |                               |
| Non-Invasive Cancer (cancer in situ) | 25% (payable once<br>per lifetime)* | 100%                          |

| Category II –<br>Heart/Stroke                                     | Percentage of benefit<br>payable for illness | Category II<br>Maximum benefit |  |
|---|--|--------------------------------|--|
| Heart Attack  | 100%   |                                |  |
| Heart Transplant (or combination trans-<br>plant including heart) | 100%   |                                |  |
| Aortic Surgery  | 100%   | 100%                           |  |
| Heart Valve Replacement/ Repair Surgery                           | 100%   |                                |  |
| Stroke  | 100%   |                                |  |
| Coronary Bypass Surgery   | 25% (payable once<br>per lifetime)*          |                                |  |
| Angioplasty   | 25% (payable once<br>per lifetime)*          |                                |  |

| Category III –<br>Other Illnesses and Conditions | Percentage of benefit<br>payable for illness | Category III<br>Maximum benefit |
|--|--|---------------------------------|
| Advanced Alzheimer's Disease                     | 100%   |                                 |
| Accidental Loss of Speech                        | 100%   |                                 |
| Benign Brain Tumor                               | 100%   |                                 |
| Coma (not as a result of a stroke)               | 100%   |                                 |
| Blindness  | 100%   |                                 |
| Deafness   | 100%   |                                 |
| End-Stage Renal (kidney) Failure                 | 100%   | 100%                            |
| Loss of Limbs                                    | 100%   | ] /                             |
| Major Burns                                      | 100%   | 7 /                             |
| Major Organ Transplant (other than heart)        | 100%   | 7 /                             |
